

Jacksonville Friends Meeting

Special Meeting for Business

June 1, 2014

Friends met First Day June 1, 2014 after Meeting for Worship to discern two issues. The first was to discern if Meeting wanted to provide financial assistance to Addie Guenther to attend a mountaintop removal immersion visit in West Virginia and the 2014 Friends General Conference Gathering, in California, Pennsylvania. Assistance would follow the 1/3, 1/3, 1/3 formula whereby the Yearly Meeting pays 1/3, the Monthly Meeting pays 1/3 and the individual/family pays 1/3 of the program and transportation cost. The Second issue for Meeting to discern concerned providing hospitality to the SEYM Youth Group while they were in Jacksonville.

Minuted:

Jacksonville Friends agree to provide financial assistance in the amount of \$235 for Addie Guenther to attend the mountain top removal immersion visit in West Virginia and to attend the 2014 Friends General Conference Gathering in California Pennsylvania June 29th through July 5th .

Minuted:

Jacksonville Friends agreed to provide hospitality for the SEYM Youth Group while visiting Jacksonville to include dinner Thursday June 26th and breakfast Friday June 27th. Friends estimated and budgeted \$125. Connie Guenther will make arrangements and submit receipts to Meeting for reimbursement.
