**Meeting for Worship with a Concern for Business**  
**June 11, 2017**  
**Minutes**

*The Art of Fearlessness Project is a national project sponsored by the Fellowship of Quakers in the Arts (FQA <http://fqa.quaker.org/>, <https://www.facebook.com/quakersinthearts/>) during the weeks of May 13 - 27. The goal is, through the arts and interactive experiences, to act as a catalyst for artists and others to think about, discuss, and appreciate/act on the role that fear, what we do or do not do because of fear, and fearlessness has on our personal, national and global life. We also hope that through these events, we can support, enrich and celebrate the art, the power of art, and the artists among us.*
